

Evangelization Initiative

Archdiocese of Saint Paul and Minneapolis

Assessment – Year Three – “Live in Me”

Thank you for your continued participation in Archbishop Flynn’s Evangelization Initiative. The objective of the initiative is to increase our collective consciousness of the Archdiocesan Church being an “evangelizing community.”

At the heart of the Initiative process is recognition that:

- Evangelization is the reason the Church exists
- Evangelization is defined as: “Making Jesus Christ known and loved in our time by choosing to live out the Gospel in every moment.”
- We evangelize most effectively when we are awake to who Jesus Christ is in our lives, respond to that realization through conversion based on the Gospel and, as disciples, offer natural witness of faith in every moment of our lives.

To assess how well the initiative process and materials are helping move us toward becoming an evangelizing community we invite your response to the questions in the Summary Session chapter of the “Live in Me” booklet.

In addition, specific to the “Live in Me” materials, please answer the following questions.

1. On the scale below please rate the “Live in Me” material in terms of how it provoked thought and stimulated respectful faith sharing. (circle one)
