## Small Group Opportunity

This is your invitation to participate in friendly conversation about faith with other parishioners in a small group setting this Lent. This opportunity is part of the archdiocesan-wide Evangelization Initiative.

The Initiative's ultimate objective is for the whole Archdiocese to more fully realize its identity as an evangelizing community – one that makes Jesus Christ known and loved in our time by our choosing to live out the Gospel in every moment.

The process involves gathering five times in small groups over the course of Lent for casual, guided faith discussions. Each gathering lasts about 90 minutes.

Come. Nourish your spirit. Deepen your faith.
