

Archdiocesan Update Schedule January – December 2019

The Archdiocesan Update is the primary internal communications vehicle between Archdiocesan offices and clergy, as well as parish and Catholic school staff and lay leaders.

Please submit your proposed content to archdiocesanupdate@archspm.org by the content submission deadline, as noted below. In your email, please include the words "Archdiocesan Update" in the subject and please note the date(s) of the issue(s) in which you want your content to appear.

Content in the Archdiocesan Update is segmented by office and typically features short excerpts or summary articles, which then link to a document, flyer or web page with more information. This arrangement helps keep the newsletter's length manageable for readers. If you need content posted on the Archdiocesan website, archspm.org, please indicate where on the site you would like it posted. If you have content already posted online or on archCONNECT, it is very helpful if you send the link to that content in your Archdiocesan Update submission email.

The Office of Communications reserves the right to edit content for clarity and length.
